Owner: **U.S. Army Corps of Engineers**
Bid Date: **April 6, 2010 @ 2:00 p.m. - QUOTES DUE BY 11:00 A.M.**

Kiewit Western Co. is bidding the above project as a prime contractor and would appreciate quotes from SB, SDB, WOSB, HUBZONE SB, VOSB, & SDVOSB currently certified for the following services or materials:

Building insulation, cast-in-place concrete, concrete and asphalt paving, concrete reinforcing, demolition, detention doors and hardware, doors and hardware, electrical, excavation and backfill, fencing and gates, fire sprinkler system, firestopping and sealants, flagpoles, flashing and sheet metal, flooring, GWB, hardscape, HVAC, irrigation and landscaping, loading dock equipment, lockers and weapon racks, masonry, metal roofing, parking shade structures, partitions, plumbing, pre-stressed concrete water tank, rough and finish carpentry, restroom accessories, security glazing, signs, site grading, structural and miscellaneous steel, underground utilities, vehicle fueling equipment, vehicle wash equipment, waterproofing, windows

THE MINIMUM LEED CERTIFICATION LEVEL FOR THIS PROJECT IS SILVER

This project will be closed out on bid day in our Phoenix (Arizona) office at 3888 E. Broadway Rd. Send all quotes to **(602) 437-7806 Attention: Krista Rojas**. Kiewit intends to seriously negotiate with qualified Small Business Concerns, Small Disadvantaged Businesses (SDB), Woman-Owned Small Businesses (WOSB), Hubzone Small Businesses, Veteran-Owned Small Businesses (VOSB), and Service-Disabled Veteran-Owned Small Businesses (SDVOSB), for project participation. In order to assist SBC, SDB, WOSB, HUBZONE SB, VOSB, and SDVOSB subcontractors, Kiewit will divide the work into smaller units to increase the likelihood of participation. Assistance is available in obtaining bonds, lines of credit, and/or insurance by contacting our office. The NAICS code for this acquisition is 236220. The small business size standard is \$28.5 million.

Please submit a quote for the item(s) you are licensed and qualified. We would prefer subcontract quotations by bid item in their entirety. However, if you are limited by bonding capacity or resources, we will break down items into smaller units to facilitate your participation. We are also willing to establish delivery schedules where the requirements of the work permit it. Please contact us early so arrangements can be made to handle your quotation. In addition we are prepared to offer portions of work to SBC, SDB, WOSB, HUBZONE SB, VOSB & SDVOSB's, which have historically been performed by our own forces. This requires early coordination to define and agree upon a scope of work and support services, which you may require from us. Please note that the bid closing time is 2:00 p.m.; therefore we request the receipt of quotes prior to 11:00 a.m. on the bid date. This will enable our firm to fairly evaluate all quotations received prior to bid opening.

Kiewit intends to conduct itself in "Good Faith" with all firms regarding participation on this project. 100% Performance/Payment Bonds/Supply bonds are required for subcontractors and material suppliers. Please quote your work with the following minimum insurance limits naming Kiewit Western Co. and Owner as additional insured: Commercial General Liability \$2,000,000 each occurrence/Aggregate; Auto Liability covering "any auto" or all owned/non-owned/hired vehicles of \$2,000,000; Workers Compensation Statutory limits with Employer's Liability of \$1,000,000 with a Waiver of Subrogation; insurance companies must carry a minimum standard of AM Best rating "A-" with a financial size category of VII.

Plans and Specifications are available by contacting Kiewit at (602) 437-7878.

If you will be quoting as a subcontractor or material supplier and are not familiar with our standard "Subcontract Agreement" or our standard "Material Contract" which we require to be executed, please contact me and I will send you a copy for your review. If your proposal takes exception to any of the terms and conditions that exception must be specifically stated when your proposal is offered.

Please fax the attached scope letter to (602) 437-7806 advising us of your bidding status.

Sincerely,
Denise Osier
